We, the Class of '61

Dedicate this Annual

To the Memory of

Our Classmate

MISS
PATRICIA
KAY
KIMBERLEY

"I'll lend you for a little time a girl of mine," God
said,
"For you to love the while she lives and mourn for
when she's dead.
It may be six or seven years, or twenty-two or three,
But will you 'til, I call her back, take care of her
for me.
She'll bring her charms to gladden you, and shall her
stay be brief
You'll have her lovely memories, as solace for your
grief."

"I cannot promise she will stay, since all from earth
return,
But there are lessons taught down there, I want this
girl to learn.
I've looked the wide world over, in my search for
teachers true,
And from the throngs that crowd life's lanes, I have
selected you.
Now, will you give her all your love, not think the
labor vain,
Nor hate me when I come to call to take her back
again?"

We'll shelter her with tenderness; we'll love her
while we may;
And for the happiness we've known, forever grateful
stay;
But shall the angels call for her, much sooner than
we've planned,
We'll brave the bitter grief that comes, and try to
understand.

Class History

Charlene Luing, Sherry Luing, Celayne Elliott, Rosemary Cory, Claretta Smith, Linda Mullihan, Linda Evans, Linda Barker, Gay Hudson, Helen Jacobsen, Mike Robinett, Jim Crabb, Fred Etner, and Dick Rice, and Stanley Granger are the fifteen of the twenty members of the senior class that started school together in 1949. Jim Nichol joined us in first grade. In third grade we gained Walt Nichol, Karen Carver, and Sharon Bowers. In fourth grade Barb Hickie Nichol came to Collins. The last member of our class to finally join our class was Kathie Jones Churchill who came in sixth grade.

Class Will

We the Senior Class of '61 of the School of Collin, County of Story, and State of Iowa, being of sound mind and memory do hereby declare this to be our last will and testament, hereby revoking any other wills.

I, JAMES CRABB, leave my finesse, looks and urbane manner to Donald Struthers and my 4-H hogs to Linda Atwood.

I, FRED ETNIER, leave my beard and quick wit to Dennis Downing.

I, GAY HUDSON, leave my ability to go with the same boy for four years to Judy Hale.

I, LINDA EVANS, leave my 4-H calves to Maxine Hunt and the Readers Digest back to the library.

I, WALTER NICHOL, leave my knowledge of presidents and political views to Terry Hunt-
rods.

I, ROSEMARY CORY, leave my place on the basketball team and the heating pad and Ben Gay to Charlene Laughlin for after-game sore muscles.

I, KAREN CARVER, leave my ability to keep a diamond to Sharon Campbell.

I, SHERRY LUING, leave my supply of gum to Mort Dodd so he won't have to go without it when I leave.

I, STAN GRANGER, leave my go-kart to Bill Thompson to save some of the wear and tear on his car.

I, CELAYNE ELLIOTT, leave my seat by the radiator to anyone as cold-blooded as I, the autographed Naval Reserve sticker goes with it.

I, CHARLENE LUING, leave my ability to remember long addresses and numbers to Esther Swaim.

I, MIKE ROBINETT, leave my old traffic tickets to Max Wolf with this advise, "Drive toward others as you would have them drive toward you."

I, SHARON BOWERS, leave my basketball suit to Sandy Christain in hopes that she will grow into it.

I, HELEN JACOBSEN, leave my place in 4-H to Linda Carson.

I, JIM NICHOL, leave my little black book of addresses to Jim Newton.

I, KATHIE JONES CHURCHILL, leave my four hours in study hall to Nancy Kimberley so she won't have to take her books home so often.

I, LINDA BARKER, leave all my tablet covers to the high school library. They make a good album of all the teachers.

I, CLARETTA SMITH, leave my knowledge of shifting a straight stick gearshift to Susi Kilgore.

I, LINDA MULLIHAN, leave my cheerleading ability to Gary Horn.

I, DICK RICE, leave my sixth sense to the Freshman Class, I only wish I had the other five to leave.

I, BARBARA HICKLE NICHOL, leave my quiet, unassuming manner to George Ballard.

Strange Phenomenon

16 May 1970

History several times, for some unexplainable reason, has been very richly endowed with many citizens far above the average. Examples of this are Germany in the early nineteenth century and Russia later in the same century. This strange phenomenon has recently been reported in our own mid-west. I refer of course to the meteoric success of the class of '61 of the Collins Community School in Collins, Iowa.

Here are some of the accomplishments of this group. The art world has been astounded by Linda Barker's new abstract painting of "Collins After Dark." Likewise, a novel by Charlene Luing, EVERY MAN FOR MYSELF, has been a best seller for months and is on the list to be sent to our armed forces overseas. Also, Celayne Elliott and Stanley Granger have been entertaining millions from their Hollywood home with a TV serial entitled "Happiness Can Be Cured."

In the field of science, James Crabb, one of the countries leading engineers, has finally succeeded in developing a device for removing the dents from old ping pong balls. Fred Etnier, a math professor at M. I. T. recently disclosed that it now can be mathematically proven that it does rain. Dr. Richard Rice has become one of the countries wealthiest physicians because of his weight control machine, the "Belly Buzzer." It consists of an elastic belt with a bell attached. When the wearer relaxes his abdominal muscles, the resulting sag reminds him to pull his stomach in. Sherry Luing and Claretta Smith, both UNIVAC operators have developed a new electronic brain which composes and sings popular music, they are still disappointed though - as it will not grow side burns.

In politics, Rosemary Cory is up for appointment as the Secretary of Health, Education and Welfare, after many years of distinguished service as a teacher in the Collins School System. Linda Evans, a Harvard political science graduate, is now plotting a revolution in Gran Fenwick after reading in a book of the suppressed conditions there. At the same time, Helen Jacobsen has created a revolution in "never never" land on a nationally acclaimed TV program opposite Shirley Temple.

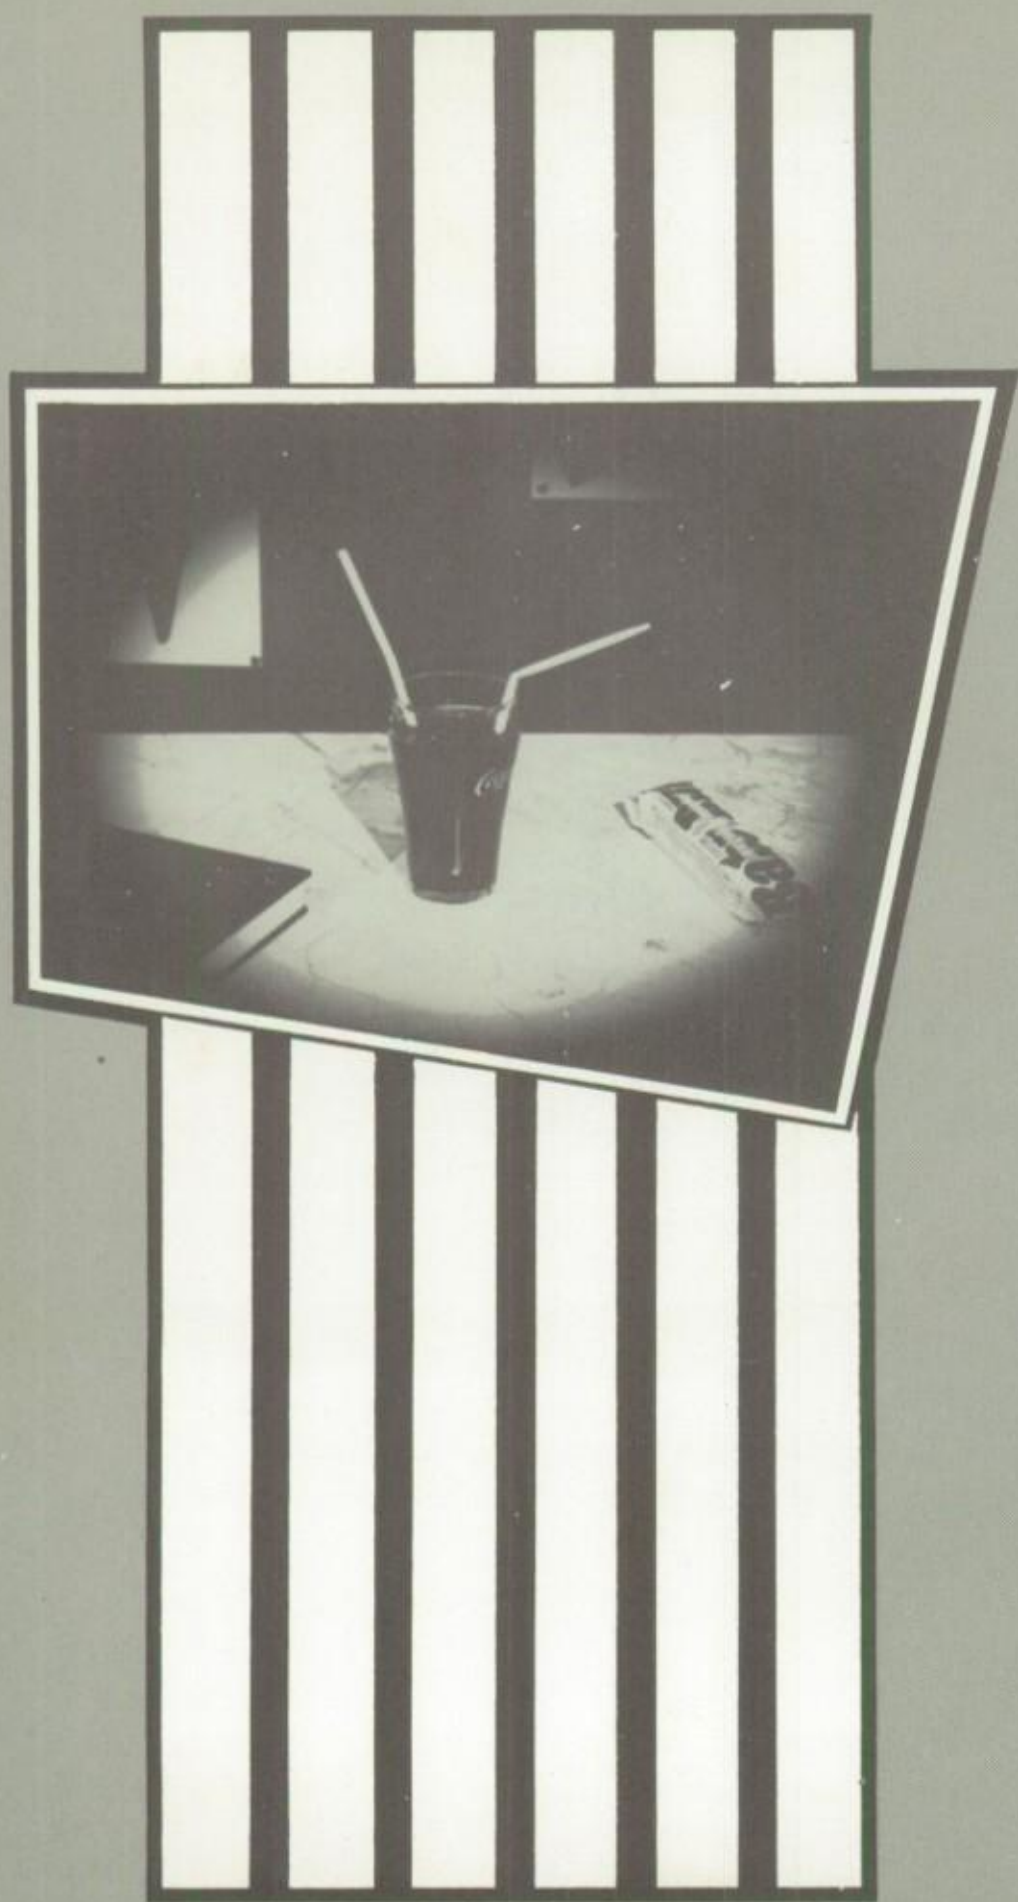

Karen Carver has been happily married to an Army General for some time now and has just finished her book, HOW TO CHEAT AT WAR. Meanwhile Kathie Jones Churchill is working on her book entitled, WHO LOVES LAST LOVES LEAST, a marriage manual for teenagers. Not much is known of Gay Hudson's whereabouts since she ran away to Europe with a French Duke.

Jim Nichol, Barbara Hickle and Walt Nichol own and operate one of the wealthiest farms in Iowa. Theirs is the only farmstead in the state with a glass partitioned Rolls Royce limousine.

Sharon Bowers, head advertising manager for the York Barbell Company has won national acclaim for her advertising techniques and slogans. Her latest saying is "profiles encourage."

Mike Robinett is the only member of the class who is truly a self-made man, having started like without a rag; he now is covered with them. He has however, squandered a fortune. Possibly the only member of the class never to gain material wealth has been Linda Mullihan. She has received personal satisfaction though, as a missionary nurse in Africa comforting Swahilis and Mao Maos where it hurts.

Speaking of Africa makes me think of the time, I can just catch the next plane to Collins for their tenth annual class picnic.
